Day passenger ship / Party ship 500 pax

€ 3.200.000,--

price excl. VAT

Dimensions (m)	49.84 x 10.39 x 0.85	Ref. no.	210404
Mooring	Near Regensburg, Germany	Year	2018
		Material	steel

Vision Doeve Brokers

Recently built passenger ship that is ideal for cruises, festivities and parties, but can also function very well as a restaurant. There is a professional kitchen where a chef can prepare high-quality dishes. The indoor and outdoor bar are both very well equipped. The interior is very spacious with, among other things, 2 panoramic salons and a spacious upper deck. With the height-adjustable wheelhouse, the minimum air draft is approx. 5.50 m. This allows her to go from her current berth to the Rhine catchment area, but she will also cruise very well on the Danube. The ship is built for environmentally friendly operation, including, for example, a diesel / electric jet drive. The required power will be selected automatically. A very well-built ship that is available immediately. In our view, an excellent opportunity to obtain a new ship for significantly less than the current new-build price.

General information

Yard:	Shipyards Guenter Mueller, D-Remagen-Oberwinter
Hull shape:	flatbottom V-bottom
Hull material:	steel
Deck material:	steel
Superstructure material:	steel aluminium top side of the wheelhouse
Construction method:	13 watertight bulkhead(s) closed bollard cabinets stainless steel bollards bulwark rubbing strake around rubber rubbing strake flush deck bulbous bow
Steering system:	electric hydraulic steering inside and outside steering position emergency steering steerable Nozzle
Windows:	aluminium windows frames double glazing aluminium outside doors
Displacement (approx.):	359,000 m3 displacement
Airdraft (approx.):	5,50 m everything down Upper part wheelhouse is electrically lowered.
Owner:	German owner
Registration:	German registered
Colour / Paint System:	white hull white superstructure two component system very well maintained see photographs last underwater treatment 10-2023
Certificates:	inland waterways certificated (TRIWW / ES-TRIN) zone 3 zone 4 zone R (Rhine) niet/not/nicht/ne pas Emmerich tot open zee/till open seas/biss offenen Meer/jusqu'au large zone 2 D valid until: 31-01-2024
Suitable for / as:	commercial shipping passengers vessel restaurant pancake restaurant
General information:	Hand over in consultation. from first owner
Additional information:	500 day guests

The techniques used on board are commercial shipping quality.
 Many rust sensitive places are made from stainless steel.
 forepeak with chain locker
 Great vessel for cruising on the European canals and rivers.
 Given construction year is the year that the ship was ready and she was launched.

Technical information

Enginepower:	2x 490 Hp 2x 361 kW
Fuel:	electric
Fuel tank (approx.):	2x 8500 litre steel tank(s)
Propulsion:	2x Schottel SPJ 87 water jet
Speed (approx.):	14 km/hour cruising speed 16/17 km/hour top speed
Heating:	via air conditioning unit & central heating from the engine cooling system
Air conditioning:	2x Daikin air conditioning reversed circle
Engine instruments:	present alarm system
Bow thruster:	Schottel Pump-jet SPJ 87 electric bow thruster 180 kW 360 degrees turnable
Electricity system:	12 / 24 / 230 / 400 Volt 400 Volt shore power connection professionally installed system mainmaster control with automatic changeover
Battery isolator:	battery isolator
Isolation transformer:	isolation transformer
Earth-leakage breaker:	present
Genny:	4x 300 KWe Scania DI13 diesel 1x 80 kW John Deere 6068 diesel
Fresh water tank (approx.):	2x 4000 litre plastic tank(s)
Water pressure system:	hydrophore pump
Fresh water filter system:	fresh water filter system
Hot water system:	boiler/water calorifier genny cooling system
Holding tank (approx.):	2x 6700 litre plastic tank(s)
Diesel waterseparator:	present
Engineroom:	very well maintained clean engineroom
Bilge pump:	2x electric pump

Deck wash pump:	present
Gas system:	no gas on board
Additional information:	LED lightning air compressor 2x fire pump

Accommodation

Interior:	various materials have been used luxurious interior 2x bar with full equipment professionally done retardant panelling see photographs
Insulation:	yes
Lay-out plan (not to scale):	see attachment
