Vision Doeve Brokers

Former inland cargo ship that has been completely converted into a comfortable and luxurious hotel / passenger vessel. This lady is in a good state of repair, making it a vessel that can be used immediately. She is also very suitable for using as a Bed & Breakfast accommodation or as a Sailing Live Aboard (or a combination of those 2). There are a total of 9 guest cabins, each with an en-suite bathroom, as well as 4 neat crew cabins (renovated in 2019). The spacious salon is very light and offers a good view to the outside. The professionally equipped kitchen is not out of place and gives the chef every opportunity to apply his magic. There is a deck terrace situated on the aft cabin. In our view, an excellent opportunity to be introduced to this charter world, possibly with the guidance of the seller, or to obtain an unique Sailing Live Aboard / Houseboat that is easy to navigate.
