## Vision Doeve Brokers

Motor yacht with a spacious aft deck from which the entire ship is easy to navigate. The sellers are the first owner and have initially sailed this motor cruiser on Irish waters, but subsequently mainly on European inland waterways in France up to Bordeaux, Belgium, the Netherlands, Germany up to and including the Danube and even beyond Belgrade in Serbia. In our opinion, she is an excellent ship for sailing the inland waterways of France with the low canals, but coastal waters are also possible. Equipped with an aft cabin with owners cabin and bathroom, central wheelhouse in which the galley is situated, salon, guest cabin with folding bed (office) and the spacious storage room is located in the front. The ship has been the home for the sellers for many years and has proven herself to be very comfortable, even in the harsh winters.
