Dimensions (m)	18.26/15.93 x 4.80 x 2.50	Ref. no.	150609
Mooring	Near Harlingen, Netherlands	Year	New
Price information	the asking price is a starting price	Material	steel

Vision Doeve Brokers

New build Colin Archer, entirely semi-custom built and will be delivered by a shipyard which has more than earned its respect in the yacht and shipbuilding. This together with an excellent naval architect Olivier van der Meer (known from the Puffin and Zacca design) stands for a qualitative and solid yacht which can handle almost every sea and any weather condition. This double ender will be delivered ready to go. Standard she is equipped with a self-draining cockpit, very good insulation, double glazing, central heating and a 125 Hp diesel engine. Cutter rigged. If you prefer a ketch rigging, it is also possible. Other dimensions are possible. If you prefer a hydraulic centerboard/lifting keel that is also feasible. All options are discussable, if you prefer you can have the Colin Archer be built entirely to your own wishes and requirements.

General information

Yard:	Scheepsreparatie Friesland B.V, NL-Harlingen
Designer / Architect:	Olivier van Meer Design B.V., NL-Wijdenes
Hull shape:	S-bilge
Hull material:	steel
Deck material:	steel
	teak in cockpit
Superstructure material:	steel
Construction method:	canoe stern
	2 watertight bulkhead(s)
	self-draining cockpit
	stainless steel bollards
	teak on cockpit bench
	teak capping
	Sturdy, heavily constructed
Keel:	long keel
Steering system:	hydraulic
	wheel
	emergency tiller
Windows:	double glazing
Displacement (approx.):	27 ton
Airdraft (approx.):	23,60 m
Colour / Paint System:	after construction sandblasted
	two component system
	anti-slip decks
RCD / CE Certification:	A
Suitable for / as:	ocean going
General information:	The sails are fully operated from steering position.
	good sailing characteristics
	Hand over in consultation.
Additional information:	Many rust sensitive places are made from stainless steel.
	new ship

Technical information

Enginepower:	125 Hp
	92 kW
Construction year engine:	new
Fuel:	diesel
Fuel tank (approx.):	1000 litre
Cooling system:	wet exhaust
Propulsion:	3 blade propeller (Varifold)
	water lubricated propeller shaft
Gearbox:	hydraulic
	reduction/ratio 2,50:1
Heating:	Post Marine central heating
	on diesel

	radiators
Air conditioning:	optional
Engine instruments:	present
Bow thruster:	optional
Stern thruster:	optional
Electricity system:	24 / 230 Volt
	230 Volt shore power connection
	mainmaster control
	professionally installed system
Battery charger:	Victron Quatro combi inverter/charger
Battery isolator:	present
Earth-leakage breaker:	present
Genny:	optional
Alternator:	2x alternator
Inverter:	Victron Quatro combi inverter/charger
Fresh water tank (approx.):	1000 litre
Water pressure system:	electric water pump
Hot water system:	boiler/water calorifier via 230 Volt and engine cooling system & through the central heating
Holding tank (approx.):	300 litre
Diesel waterseparator:	present
Engineroom:	insulated engineroom
Bilge pump:	2x electric pump 3x manual pump
Gas system:	present
Additional information:	LED lightning

Accommodation

Insulation:	60 mm PU foamed insulation good sound insulation
Cabins:	3
Berth:	Forward: 1x 2-pers Portside cabin: 1x 2-pers Starboard cabin: 1x 2-pers
Lay-out plan (not to scale):	see attachment
Bathroom:	1x shower cubicle thermostat tap washbasin with hot & cold running water
Toilet / Heads:	1 electric toilet washbasin with hot & cold running water
Galley:	along ships
Cooker:	4-burner hob on gas in combination with the oven
Oven:	gimbals gas oven & grill
Fridge / Refrigerator:	1x 100 ltr coolbox
Freezer:	1x 100 ltr freezer box

Worktop:	HPL
Washbasin:	stainless steel sink
Water tap:	mixer tap with hot & cold running water
Entertainment:	flatscreen TV
	Bose stereoset

Navigation equipment

Navigation equipment:	compass
	Fluxgate electric compass
	GPS
	autopilot
	chartplotter (2x screen)
	windset
	VHF with DSC
	depth / echosounder

Rigging and sails

Rigging type:	cutter rigged
Mast:	aluminium mast
Boom:	aluminium
Jib boom / Bowsprit:	steel Jib boom
Winches:	3x electric sheet winch
	2x halyard winch
	2x sheet winch
Sails:	mainsail 72 m2
	staysail 36 m2
	genoa 80 m2
	Polyant offshore quality
Roller Reefing system:	furling-jib reefing system
	roller furling forestay
Additional information:	jib boom
	sail cover
	stainless steel standing rigging

Equipment

Anchor equipment:	electric anchor winch
	80 m anchor chain
	Pool anchor
Searail / Pulpit:	stainless steel searail
Safety:	liferaft 1x 6-pers
	4x fire extinguisher
	FM200 fire extinguisher
	smoke detector(s)
Additional information:	passarelle gangway
